PROFESSIONAL EXPERIENCE

Creativa Digital 360 Spain (Remote)
Applied AI Engineer | *Full-time* May 2025 - Present

- Developed a 95%-accurate OCR service that saves ~€1.2K/month.
- Built a multimodal RAG chatbot handling 2K+ requests/month.
- Own services for an ERP/SaaS platform serving 200+ vehicle inspection stations.
- Delivered 5 end-to-end B2B platforms from API design through production deployment.
- Spearheaded the migration of a desktop CRM from Java/JavaFX 8 to Java/JavaFX 25.

Altia Spain (Hybrid)
Software Engineer | *Internship* Jan 2024 - Jun 2024

- Developed REST APIs and microservices for Spanish government platform integrations.
- Engineered low-latency real-time features with WebRTC and WebSockets.
